ANNOUNCING ONE NEW COVID-19 CASE, REMINDER FOR HERKNER ROAD VACCINATION EVENT TODAY
June 8, 2021

- The GTB Health Department is reporting one (1) new positive COVID-19 case from June 1, 2021. The local health department for Grand Traverse County was notified as the county of residence and is in the process of completing a case investigation. If you’ve been identified as a close contact (someone who has been within 6 feet of an infected person [laboratory confirmed or a clinically compatible illness] for a cumulative of 15 minutes or more over a 24-hour period. An infected person can spread the virus that causes COVID-19 starting from 2 days before they have any symptoms or, for asymptomatic patients, 2 days before the positive specimen collection date) during the course of the case investigation, please expect to receive a call or text from the local health department or the Michigan Department of Health and Human Services. It is critically important you respond to the call or text in order to protect the community from further spread.

- A reminder the GTB Health Department will be vaccinating at Herkner Road from 5pm to 7pm today. We would like to share the following additional dates for vaccinations:

The GTB Health Department has two convenient options to schedule. You can call the GTB COVID-19 Vaccine Line (231-534-7475). Or, you can utilize a self-schedule option for COVID-19 vaccinations. Individuals can select dates and times that would be convenient. Additionally, individuals will receive notifications of their upcoming appointment, options to modify, or cancel their appointment by text. A link to the platform can be found on the main GTB health services page, http://gtbindians.org/health_services.asp >> COVID-19 Vaccine Self-Schedule (Solv). We encourage calling the GTB COVID-19 Vaccine Line or the self-scheduling option to allow for planning. Walk-ins will be accepted however vaccine doses may not be available.
