

UPDATE FROM GTB LAW ENFORCEMENT

7.20.20

The Grand Traverse Band Tribal Police Department will no longer be offering Preliminary Breath Testing (PBT) services due to the current COVID19 pandemic. Recent up ticks in local COVID19 have increased the risk of exposure to officers and workers at the Police Department. The daily service will be suspended until which time we can deem administering them is safe again. We apologize for any inconvenience this may cause with those seeking PBT's.
