M-22 resurfacing in Suttons Bay starts May 16

GAYLORD, Mich. - The Michigan Department of Transportation will be investing \$619,000 to resurface [M-22 from south of Front Street to south of M-204 and from north of Dumas Road to the north side of Mill Pond Bridge in the Village of Suttons Bay](#). This project will improve safety and ride quality for motorists and extend the life of the roadway.

County:

Leelanau

Highway:

M-22

Closest city:

Suttons Bay

Start date:

Monday, May 16, 2022

Estimated end date:

Friday, June 10, 2022 (second application of pavement markings to be complete by July 8)

Traffic restrictions:

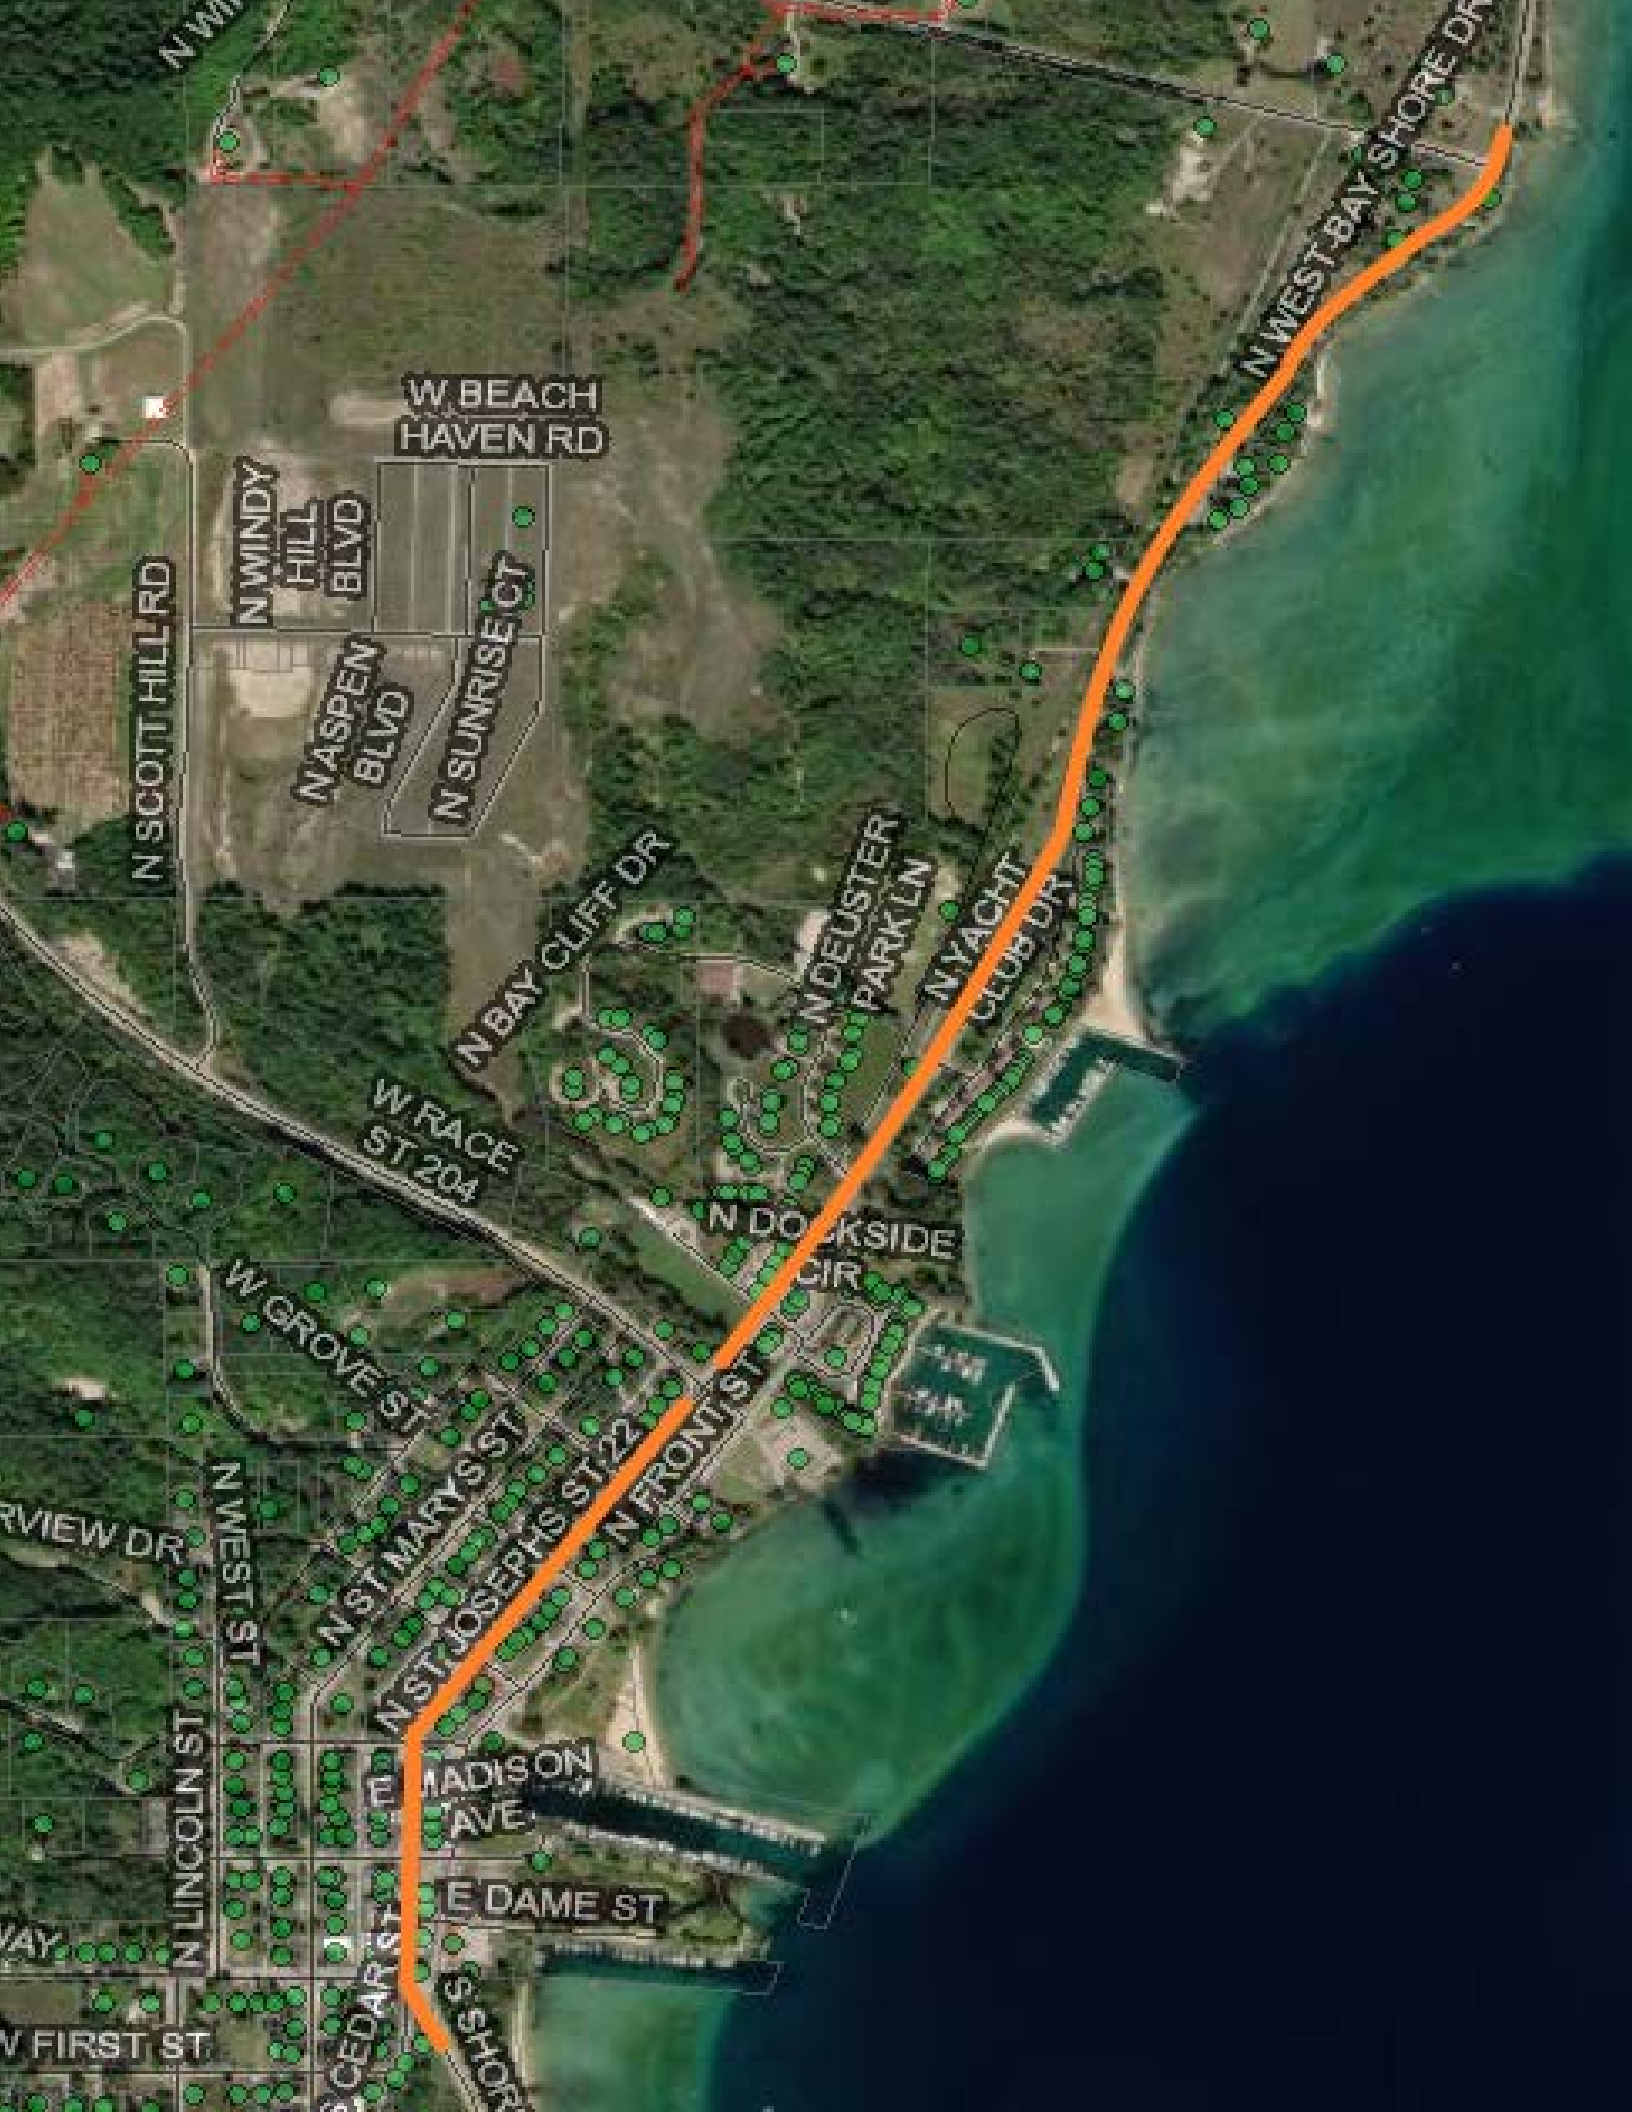

Daytime lane closures with traffic regulators.

Jobs numbers:

Based on economic modeling, this investment is expected to directly and indirectly support roughly eight jobs.

Safety benefit:

This work will provide a safer and smoother driving surface.
