URGENT: OPENING UP VACCINE ELIGIBILITY
January 22, 2021

The GTB Health Department is opening the COVID-19 vaccine to all GTB Elders, GTB Tribal Members, GTB essential workers, and all members of a GTB Tribal Member household. GTB essential workers include all GTB employees, including government, gaming, resort, and enterprise. GTB Tribal Members can thus vaccinate all members of their household age 16 and over.

- Please call the GTB COVID-19 Vaccine Line (231-534-7475) today to be scheduled. The GTB Health Department has vaccinated 33% of GTB Tribal Members living in the 6-county service area age 16 and over and 61% of GTB Elders living in the 6-county service area. The GTB Health Department has provided 1,233 1st and 2nd doses.

- Preregistration is required only if you are not currently registered with the clinic. Forms can be found at GTBIndians.org >> Health Services >> Health Clinic >> GTB Health and Dental Clinic Registration Paperwork. The preregistration forms should be completed and submitted to the health department prior to the scheduled vaccination.

If you would like to learn more about the risks and benefits of getting the vaccine and your medical history, please talk with your medical provider. You can also learn more about the COVID-19 vaccine and its safety at CDC.gov/Coronavirus.
