August Pow Wow Canceled

The Grand Traverse Band of Ottawa and Chippewa Indians Annual Peshawbestown Powwow, August 21-22, 2021 has been canceled for this year. We will be hosting our Annual Family Language Camp virtually, along with a virtual powwow on August 19-21, 2021. The COVID-19 virus first attacked our Indigenous elders, it has now turned its focus towards our children ages 0-11. There are no vaccines available to protect this stage of life from the COVID-19 virus. Our children remain vulnerable and it is our responsibility to protect our next generation. Our children’s health and safety is our priority, we make this decision respectfully for them. Miigwech
