MILS is offering digital estate planning clinics on [Tuesday, 11/30/2021](#) and [Friday, 1/21/2022](#) to make creating your estate plan as safe and convenient as possible. These documents can be signed and executed from the comfort of your own home. This Program is open to Tribal Members, Employees, and their family. The guidelines of this program will allow us to cater to a broader group than is typically permitted by MILS' funders.

This Program is available to those who make up to 500% of the poverty and eligibility guidelines. The threshold starts at \$63,800 and is increased by \$22,400 for each additional household member.

Additionally, we are open and still offering our services statewide to income-eligible individuals and tribes, advocates for the rights of individuals, which advances systems of justice, and works to preserve Indian families through State and Tribal Courts.
