## ESTATE PLANNING

Have you made plans for what happens if you walk on? What about if you become sick and you are unable to make decisions for yourself? It can be scary to think about, but it is very important.

Questions you may ask include:

- ◆ Who will take care of your children?
- ◆ Who will take care of your possessions?
- ◆ Who will receive your personal belongings?
- ◆ MILS can help you figure out these types of questions. We assist all clients who are up to 500% of the Federal Poverty Guidelines with estate planning.
- ◆ An Estate may include:
  - 1) Last Will and Testament
  - 2) Financial Power of Attorney
  - 3) Healthcare Power of Attorney
  - 4) Living Will (Advance Health Care Directive)
  - 5) Ladybird Deeds
  - 6) Documents to transfer your automobile at your death without opening a Probate Estate Case in court.
