

GTB WALK-IN DEER COOLER REGULATIONS

AUTHORIZED USE ONLY

This cooler is for Enrolled Tribal Members only.

Valid harvest tag must be attached prior to entry (for digital tags, attach provided zip tie with digital tag #).

MANDATORY SIGN-IN (NO EXCEPTIONS)

Each deer must be logged with:

- Printed Name
- Signature
- Phone Number
- Tribal ID Number
- Tag Number
- Date & Time Placed in Cooler
- Intended Pickup Date
- Jet Sled Number

Note: Your signature serves as a waiver and agreement to all posted rules.

STORAGE LIMIT

Maximum storage: 7 DAYS.

Deer remaining beyond 7 days becomes property of the Tribe.

Deer may be donated to a Tribal-approved food pantry or processor without further notice.

PREPARATION REQUIREMENTS

Deer must be fully field dressed before entry.

Remove excess mud, leaves, and debris.

Place deer in assigned jet sled.

No ice permitted in cooler.

STRICTLY NO PROCESSING

No skinning.

No quartering.

No caping.

No cutting of any kind.

No butchering.

NO WASTE POLICY

There are NO waste receptacles on site.

Do NOT leave gut piles, hides, bones, heads, trim, or trash.

All waste must be removed from the property.

CLEANLINESS REQUIRED

Rinse any blood in sled or floor area.

Remove all personal equipment (rope, gambrel, etc.).

Leave facility clean for next hunter.

Failure to clean up may result in loss of cooler privileges.

FACILITY POLICY

Cooler maintained at approximately 34–38°F.

Use at your own risk.

Tribe not responsible for spoilage, theft, or power failure.

Facility may be monitored.
