

# BEHAVIORAL HEALTH AND NIIZH ANIMIKIIG PRESENTS

## SUICIDE AWARENESS PRESENTATION

# SUICIDE IS PREVENTABLE

### Learn How to Reduce Suicidal Behavior and Save Lives

Join Behavioral Health for a suicide prevention training. This session will teach members how to recognize signs of crisis, empower community members to make a difference, & reduce suicide by providing resources. This discussion will go over suicide statistics in regard to Native Americans, myths associated with suicide, and what language to use when covering this topic.

## 3:00PM & 5:00PM

*(2 Sessions Per Day)*
